**Butts Reunion 2019
September 15th, 2019**

It's easy to get into a rhythm during the year and before we know it, time has passed and we have missed special dates for family members - anniversaries, graduations, birthdays, etc. As we get older we often feel the only time we get together is for an unexpected and often mournful occurrence.

We are quick to say, "We need to get together soon." But, before you know it, years have passed and we find ourselves wishing we had just one more hour to talk to those we miss so much.

**Don't let the years slip away.
Make the effort to attend this
reunion. You will not regret it;
make some memories.**

This year the Butts' Reunion Committee has expended a sum of money to hold the event in a spacious facility with more amenities for the younger members of our family, The Grand Palace in Decatur, IL. This facility includes a playground and ample space to enjoy each others' company. Some may consider the cost excessive but the Committee felt it was worth the chance.

Half of the expense has been covered by a donation. The remaining fee will need to be covered by family donations collected during the event. (i.e. Auction and 50/50 and "pass the hat" style collections.)

Cleanup Assistance

In addition to the rental fee there is a \$200 cleaning deposit required. The \$200 will only be used if we leave the facility in need of cleaning.

We request as many as possible stay and assist with the cleaning so this \$200 cleaning fee will not be needed and will be returned to us.

We also request care be taken during the event that results in minimal cleaning at the end.

**Set-up: 11:00—12:00
Mingle: 12:00—1:00
Meal Begins: 1:00 (give or take)
Clean-Up Starts at: 4:00 (or whenever)**

Scheduled Activities:

- It is our hope family portraits will be taken during this year's Reunion. There is a chance the photographer will not be available due to work related travel requirements. However, regardless of a facilitated photographer you are encouraged to take lots of pictures to share with the family.

- An auction is being planned so please bring one or two items to donate. Also be prepared to bid on items brought for auction. Cash or check works just fine.

- Name the 2020 Reunion. Buy a chance to name the 2020 Reunion. This event will cost \$1.00 per card. 104 cards will be sold; buy as many as you want. The winner will be allowed to name the 2020 Reunion and be paid up to \$52.00 for their efforts.

- 2019 Reunion Mug is still being offered. A minimum order is required. As of the printing of this flyer there are not enough orders to make the purchase cost affective. Get your order in if you want one.

- Playground for the children is available on the property. Parents are responsible for the safety of their children while using the facility.

Some events are designed to make money, others are designed to have fun and make memories. Times for events are flexible; it's not our intent to follow a plan, it's our intent to have a good time.
